## Advantages & Disadvantages

ADVANTAGES

**Wealthy** 1

Needs a choice

1 point per rank. Each point grants 2 extra starting koku. Crane/Unicorn/Imperial pay 1 less off the total.

**Leadership** 6

Once a Round, in the Reactions Stage: one ally adds the total until the next Reactions Stage.

Once/round, add School Rank +1k1 to an ally's Initiative Score in a skirmish. Lion pay 5.

DISADVANTAGES

**Lord Moon's Curse** 5

Medium — 5 points

☐ FULL MOON TONIGHT (+1 VOID POINT, SPENT LAST)

RESIST LORD MOON (TN 20)

**Seven Fortunes' Curse** 6

Hotei — The Fortune of Contentment burdens you: a Technique or Advantage that needs a Void Point to activate needs two. Void spent on a roll, Kiho, Kata and spells is unchanged. Value: 6 XP.

Hotei

Void card: "For a Technique or Advantage" takes 2 points at once; tap a blank pip to give both back.

Where the sheet spends the Void Point itself (Dark Paragon, your Ancestor's gifts), it takes both. Use the button for a Technique.

**Blind** 6

Armor TN uses Reflexes + 5. Move: Water counts 2 lower. Simple Move (Athletics / Agility): TN 20. Perception: other senses only, your GM decides.

-3k3 ranged/-1k1 melee attacks; Armor TN from Reflexes+5 only; Water Ring -2 for movement; Perception rolls generally unavailable.

**Missing Limb** 6

Ticks on every roll but damage.

+10 TN on any task requiring the missing limb.

**Brash** 3

Adds your Honor Rank.

When threatened or insulted, must pass a Willpower roll (TN 25, +Honor Rank) or attack immediately. Lion pay 4.

**Overconfident** 3

Facing a clearly superior foe, you need a Perception roll (TN 20) to recognize it and disengage instead of pressing on. Lion/Mantis pay 4.

Kharmic Tie 0

**Needs a choice**

1-5 points. Bonded to a chosen person; per point spent, once/session +1k1 on attack rolls made protecting or fighting for them.

Social Position 4

+1 Status Rank.

Blissful Betrothal 3

Gentry, Social Position and Wealthy (and that Kharmic Tie) cost 2 less each, never below 1.

A loving arranged marriage lets you buy Gentry, Kharmic Tie (spouse only), Social Position, and Wealth for 2 points less each.

Zakyo Toshi Citizen 3

**Needs a choice**

**Half your School's starting koku again: 1.5 koku.**

ADD 1.5 KOKU | ALREADY ADDED

One extra Rank in a Games Skill you choose; start with half as much again of your School's starting koku.

Can't Lie 2

Physically unable to lie; must correct a known lie told in your presence unless you pass a Willpower roll (TN 20).

Contrary 3

Compelled to argue your view in disputes; must pass a Willpower roll to hold back. Imperial/courtier pay 4.

Rumormonger 4

Compulsive gossip; resisting spreading a rumor needs a Willpower roll scaled to the subject's Glory. Courtier pay 5.

Soft-Hearted 2

Killing another person requires a Willpower roll (TN 20); after a kill, all TNs +10 for a day. Phoenix pay 3.

Lost Love 3

At most twice a day, an hour apart.

Reminders of a lost love raise all your TNs by 5 until you spend a Void Point to refocus (max twice/day).

## Techniques, Kata & Spells
